

AN OPIOID EMERGENCY CAN HAPPEN ANYTIME, ANYWHERE.

PEOPLE AT RISK OF AN ACCIDENTAL OPIOID OVERDOSE EMERGENCY INCLUDE THOSE WHO:

- ▶ Take prescription opioids in higher doses
- ▶ Take opioids with benzodiazepines or sedating substances like alcohol
- ▶ Have opioids in the home and have other household members or close contacts, including children, at risk for accidental ingestion or opioid overdose emergency
- ▶ Have a prior history of overdose or have opioid use disorder
- ▶ Take prescription opioids and have other medical conditions (HIV, liver disease, lung disease, or mental illness)
- ▶ Are using illicit opioids or other drugs that might be mixed with illicitly manufactured fentanyl

RECOGNIZING THE SIGNS AND SYMPTOMS OF AN OPIOID EMERGENCY:

Will not wake up or respond to a loud voice or rubbing firmly on the middle of their chest

Breathing is very slow and shallow, or has stopped

Center part of eye is very small, sometimes called "pinpoint pupils"

Fingernails and lips turning blue or purple

At least 83% of prescription opioid overdose fatalities were unintentional.

Be Prepared for an Accidental Opioid Overdose Emergency

FAQS

What are the possible side effects of NARCAN® Nasal Spray?

When using this product some people may experience symptoms when they wake up, such as shaking, sweating, nausea, or feeling angry. This is to be expected.

How should NARCAN® Nasal Spray be stored?

At room temperature or refrigerated: between 36°F to 77°F (2°C to 25°C). Do not freeze. Avoid excessive heat above 104°F (40°C). Protect from light. *Please adhere to the expiration date as printed on the package.*

What are the benefits to NARCAN® Nasal Spray being available over the counter?

Broader access to a lifesaving medication, no prescription required. NARCAN® Nasal Spray, available over the counter, provides the same product in original prescription strength with the same ability to save a life.

How does NARCAN® Nasal Spray come packaged?

Individually in sealed blisters containing two single-dose nasal spray devices. *Do not use if the blister is open or torn, or if the device appears damaged.*

Who can purchase NARCAN® Nasal Spray?

Anyone can purchase NARCAN® Nasal Spray. No age limit, prescription, or ID required.

BE READY WITH NARCAN® NASAL SPRAY

NARCAN® Nasal Spray is designed to rapidly reverse the effects of a life-threatening opioid emergency.

Easy-to-use. No swabs or injections needed. Available for over-the-counter purchase at most retailers nationwide.
